PHOTOGRAPHY EXHIBIT

ART IN ARCHITECTURE, an exhibit of fine photography by Mary-Jo Bennett, is featured during May in the Blanche Ames Gallery.

Bennett says she inherited an artistic eye and creative genes from her very talented wood craftsman father. In her work for a government agency, she enjoyed opportunities to travel. It was then the artist began recording scenes to share her "wonderful places," and soon developed a passion for photography.

She began formal training in the technical and artistic elements of this art by studying at several community colleges, the Torpedo Factory in Alexandria, Virginia, and in workshops by some of the nation's top professional photographers.

Visit the artist's work at www.mjbennettphotography.com.

All are invited to the opening reception on Sunday, May 3, 12:15 – 2:30 PM. The exhibit will close at 1 PM on Sunday, May 24.

The gallery is located in the building of the Unitarian Universalist Congregation, 4880 Elmer Derr Road, Frederick.

Take the Mt. Zion exit off 15/340 and turn left onto Cap Stine and right onto Elmer Derr for one mile. Call 301-473-7680 for weekday hours.
